What is Fast CAT?

Fast CAT is a timed straight 100-yard dash for dogs. Dogs are held at the start line and the coursing lure is activated prompting the dog to follow chasing it to the finish line and into a catch pen. The course is completely fenced, and dogs are run individually. Dogs are timed when they complete the 100-yard dash. The time is converted to Miles Per Hour (MPH).

FORMULA: $204.545 / \text{RUN TIME} = \text{MPH}$
 $\text{MPH} \times \text{HANDICAP} = \text{POINTS (ROUNDED TO NEAREST 0.01)}$

Based on the dog's size at the withers, a handicap is applied, and points are earned:

- 18" or greater = Handicap is 1.0
- 12" up to less than 18" = Handicap is 1.5.
- Below 12" = Handicap is 2.0.

MPH X HANDICAP = POINTS

Titles are earned at specific point levels and the highest suffix may appear after the dog's name:

BCAT = 150 points

DCAT = 500 points

FCAT = 1,000 points

FCAT# = Each additional 500 points

Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The Inspection Committee has the authority to disallow a dog's entry into a test and, in such instances, applicable entry fees will be refunded. Dogs will be examined for lameness before running. Bitches in season, lame and unfit dogs will be excused with entry refunded. **Please do not bring bitches in season not competing to the test.**

Top 20 by Breed by Year

The AKC Fast CAT website will feature the Top 20 Fastest Dogs by Breed by Year national standings. The standings will be updated as event results are processed at https://www.apps.akc.org/apps/fastcat_ranking

Trial Hours

Grounds will be available at 8:00 AM. It is the responsibility of each entrant to make an effort to be ready when their dog is called to the line. Trial will begin promptly at 9:00AM until all runs are completed.

Prizes and Rosettes

KOTC will offer a light blue flat ribbon for a passing qualifying run.

KOTC will have a limited number of title rosettes available. Please notify the trial chair, Cindy McKee, via email at kotcdogs@gmail.com and include with your entry form, if you will be earning a new title to ensure that the club will have rosettes available. **Due to ongoing supply chain issues, there may be delays in obtaining additional title rosettes beyond what is on hand.**

Note: KOTC is transitioning to new rosette colors. Some titles will only have orange/black rosettes available, and some will only have blue/yellow rosettes. Please be understanding.

There will be several vendors of dog-related goods and services.

Notice To All Exhibitors

AVMA Statement: Exhibitors should follow their veterinarian's recommendations to assure their dogs are free of internal and external parasites, any communicable diseases and have appropriate vaccinations. We ask that you have copies of your dog's rabies vaccination certificates with you in case of an incident.

For the safety of our volunteers, we will only be releasing dogs that we know. Please arrange to have someone available to release and to catch your dog.

All exhibitors must be responsible for cleaning up after their dogs on the motel, RV and trial grounds. Motels require that dogs be crated when unattended. Any damages to motels, RV sites or the trial site can result in disciplinary action by the Event Committee. It is expected that exhibitors will clean up immediately after their own dogs and strongly encourage others to do the same. All owners/exhibitors should be aware that the entire motel grounds and RV sites

are considered within the trial grounds. You will be responsible for all damage to your room/site and may be subject to disciplinary action in accordance with the rules of the AKC. Any abuse of the grounds will be brought to the attention of the trial-giving club and its Event Committee. Any exhibitor's entries may be refused for previous misuse of the motel or RV facilities. This is an AKC supported measure.
